Defendants.

Appeal from the United States District Court for the Western District of Virginia, at Roanoke. Norman K. Moon, Senior District Judge. (7:12-cv-00494-NKM-RSB)

Submitted: August 28, 2014

Decided: September 2, 2014

Before WILKINSON, KING, and DUNCAN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Carl D. Gordon, Appellant Pro Se. John Michael Parsons, Assistant Attorney General, Richmond, Virginia, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Carl D. Gordon appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2012) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Gordon v. Mullins, No. 7:12-cv-00494-NKM-RSB (W.D. Va. Mar. 20, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED
